PRECONTRACT APPROVAL RECORD
(PART TWO)

CONTRACT

CA-20

The services and equipment being procured by this Contract No. CA-20 Amendment No. 11 are in furtherance of the OX CART Program(s), the nature of which cannot be publicly disclosed for security reasons. The Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on 15 October 1961.

Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the terms and provisions generally of this contract/amendment, and a resume of major issues negotiated:

Contract No. CA-20 covers EAFB in the following categories:

- a. Calibrate Instrumentation
- b. Operate Base Support Shops
- c. Maintain Ground Support Equipment
- e. Maintain Chase and Administrative Aircraft
- f. Material Handling, Loading, Unloading, etc.
- g. Inspect, Test and Repair GFAB
- h. Investigative and Safety Engineering Services
- i. Telephone and TWX Service
- j. Accommodation Sales

Amendment No. 11 provides for the following:

1. Provides for completion of work authorized on or before 27 June 1965 but new work will be authorized under a successor Contract No. WM-66. It is estimated that completion of the work will be in the fall of CY-1965.
2. Provides for additional FY-65 funds.
